

*Women Mentoring Women to Success*

**RAISING H.O.P.E**

Help • Opportunity • Passion • Empowerment

March 2018

Dear Community Member,

We invite you to nominate a woman in our community who is Raising HOPE:

- A woman who has mentored other women by providing advice and guidance
- A woman who has been a role model to other women
- A woman who has inspired other women to reach their full potential.

A select group will be honored at our 5<sup>th</sup> Annual **Raising HOPE Celebration** on **Wednesday, June 7<sup>th</sup>**, at the **Best Western Plus**, Kingston.

Participants in our women's mentoring program point to the power of having a woman believe in you, and is willing to take the time to listen and guide you, as being the most important factor in moving them forward in attaining their educational and vocational goals.

Our Raising HOPE Celebration attests to this fact and recognizes the influence and strength of women in our community and the impact they have on every day lives. So please take a moment to consider the women in your life - women you have known personally or professionally, or have admired from afar, and submit their names for consideration by completing the enclosed nomination form. ***Please return by April 27, 2018.***

"When women support each other, incredible things happen." Let's celebrate that!

Sincerely,

President & CEO, United Way of Ulster County
